## WELCOME *blankets*

Each new family coming in to Ronald McDonald House receives a Welcome Bag, along with a Welcome Blanket. These blankets can be very comforting to the children and also serve as treasured mementoes of their time spent here at our House. Your support in helping provide a blanket would be greatly appreciated.

- Blankets should be crafted from new, clean fabrics only. Please do not use material that has been used for other purposes or kept in storage.
- It is recommended that you wash and bag your blanket before bringing it to the House.
- We welcome blankets of all patterns and colors.
- We are also happy to accept donations of 2 yard pieces of fleece.

Please use the following directions when making the no-sew blankets:

### SUPPLIES:

**Fleece:** 2 yards each, print and solid  
Rotary cotter and mat  
Tape measure  
Optional: June Tailor® Shape Cutter™ template

### DIRECTIONS:

Cut 56"x70" from each piece of fleece at the same time. Lay fleece wrong sides together. Cut a 6" square from each corner of the fleece.

**Fringe:** Cut 6" into fleece at 1" intervals around all sides of the top and bottom layers. Knot fringes together around blanket, using 1 strand from the front, and 1 strand from the back.

Blankets can be prepared on your own schedule and delivered to our House any day between 9 a.m. and 9 p.m.

*Thank you for making our "home away from home" a little more warm and welcoming.*
