

RONALD MCDONALD
HOUSE CHARITIES
CENTRAL OHIO

Did you know that
the Columbus Ronald
McDonald House...

... is the largest of its kind in
the world?

... provides over 35,000 nights of
housing each year to families from
out of town who have a child in a
local hospital?

... depends on over 50,000 volunteer hours
each year to provide their high quality of
care and state-of-the-art facilities.

In 1982, the Columbus Ronald McDonald House
opened with 18 rooms. To meet the ever-growing
needs of the community, the House has expanded
to stay on pace with the rapid healthcare growth in
Central Ohio. The House now offers 137 guest
rooms, 5 free-standing homes and 10 continuing
care suites which serve as full-service homes
away from home for an average of 350 people
each day. As the medical community
continues to grow, so too does the
mission of the Columbus Ronald
McDonald House.
