KEEPING FAMILIES CLOSE
KEEPING FAMILIES CLOSE
KEEPING FAMILIES CLOSE

IN 2021 WE KEPT FAMILIES CLOSE

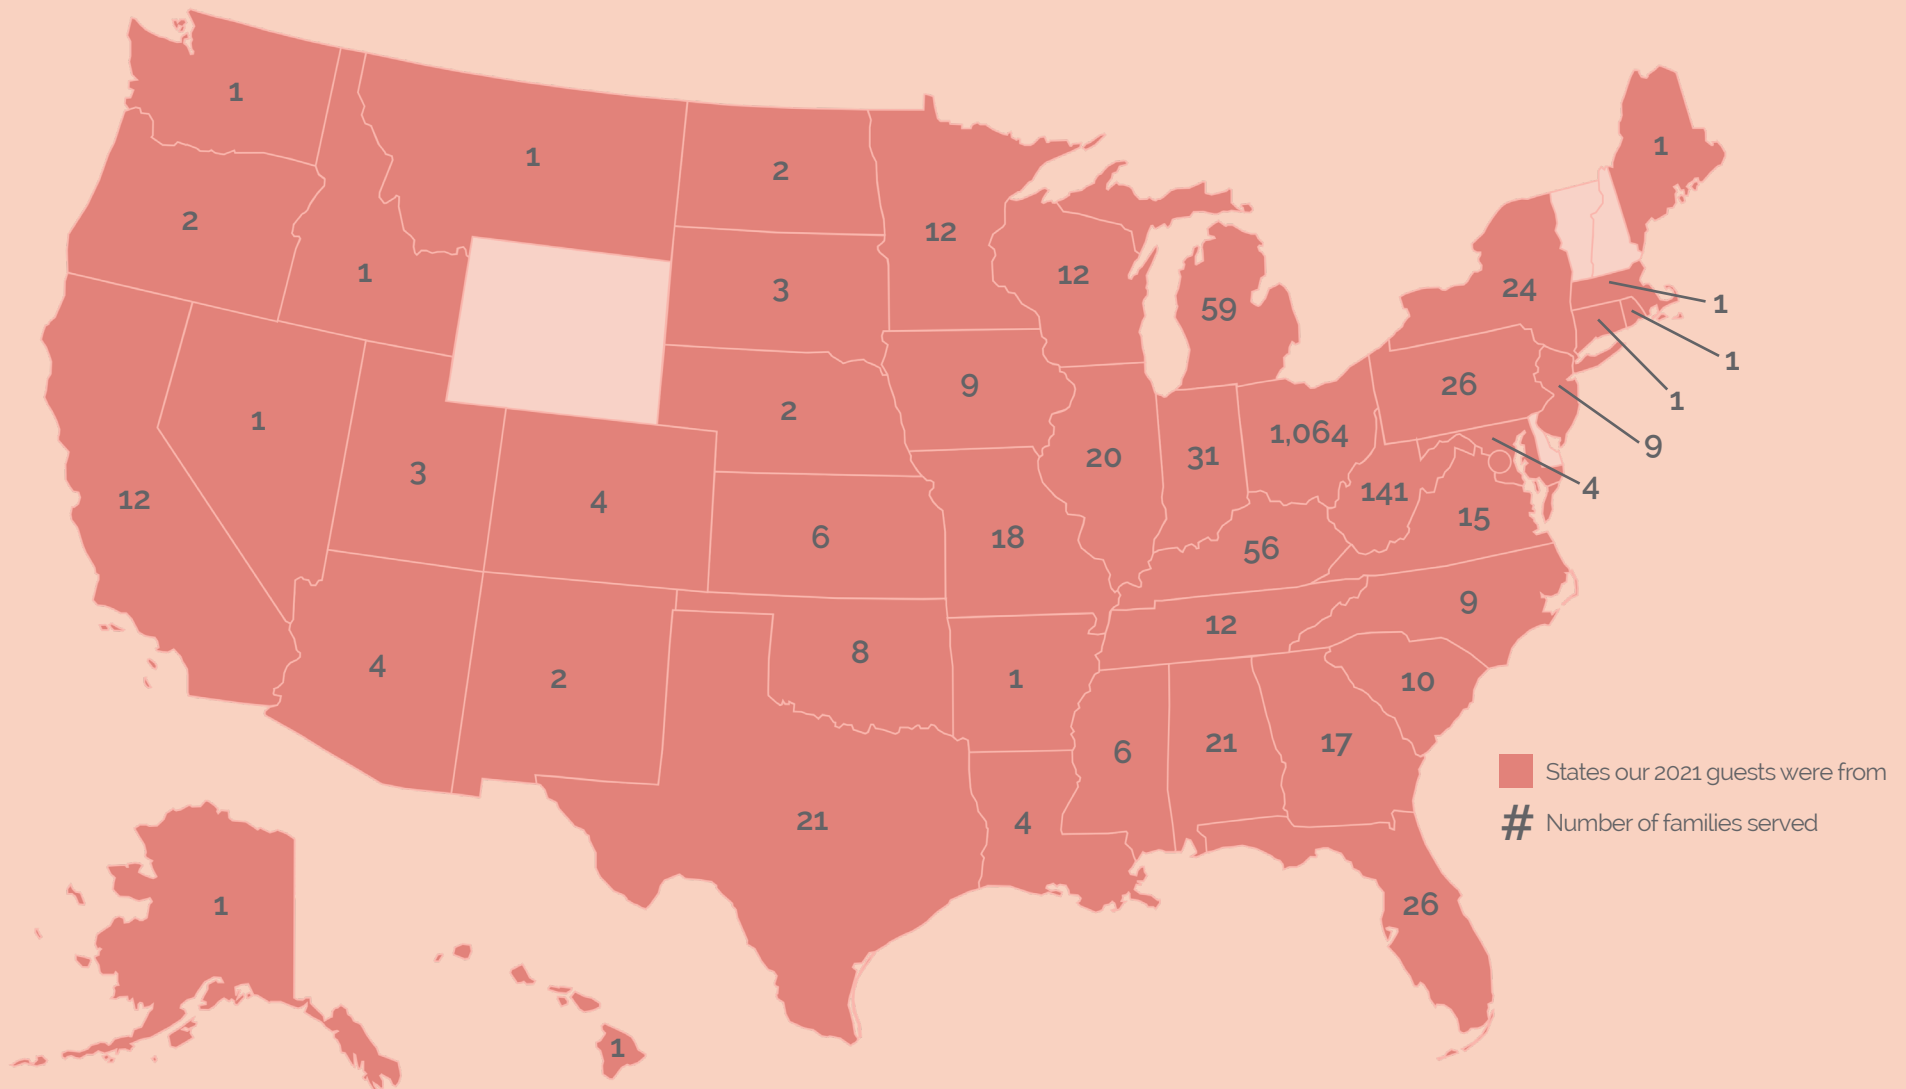

In 2021, we continued to serve our mission of Keeping Families Close® by providing a free comfortable place to stay for families of hospitalized children.

In the midst of a continuing global Covid-19 Pandemic, RMHC of Central Ohio worked tirelessly to support families of seriously ill and injured children. Services were offered to families without interruption at the Ronald McDonald House and two Ronald McDonald Family Rooms. In addition, the Ronald McDonald Care Mobile provided vital services to children in Central Ohio in need of primary care.

RMHC of Central Ohio launched a Community Campaign for the expansion of our Ronald McDonald House in Columbus, Ohio called A Million Reasons. This public campaign was kicked off with a ground breaking celebration featuring local civic leaders, business executives, and celebrities. The campaign goal is to raise one million dollars to support the expansion of the Ronald McDonald House.

PROGRAMS

Ronald McDonald House®

Children who are hospitalized need the security of having their parents near them. Staying at the hospital around the clock can be a tremendous challenge. That is why the Ronald McDonald House gives families a home-away-from-home right across the street from Nationwide Children's Hospital. The reality of having a hospitalized child can be one of the most stressful experiences a family can endure. Add to that the challenge of being far from home, in a foreign environment, and stress can mount even more. What we are able to provide at the Columbus Ronald McDonald House is a bit of stability in the midst of challenging circumstances. Families can stay together only steps away from their hospitalized child who needs them near. Moms and dads, brothers and sisters, and extended family can call the House their home-away-from-home for as long as their child is receiving treatment at the hospital.

Ronald McDonald Family Room® at Riverside Methodist Hospital

Ronald McDonald House Charities of Central Ohio has partnered with OhioHealth to operate Central Ohio's first Ronald McDonald Family Room. This space serves as a respite for families with babies & children receiving medical care at OhioHealth Riverside Methodist Hospital. We provide a relaxed space for families to grab a snack or a drink, take a shower, do a load of laundry, or take a quick break just steps from their inpatient child, if only for a few moments.

Ronald McDonald Family Room® at Big Lots Behavioral Health Pavilion

When families walk into the Ronald McDonald Family Room at Big Lots Behavioral Health Pavilion at Nationwide Children's Hospital, we want them to forget they're in a hospital. Centrally located in the Pavilion, the Ronald McDonald Family Room offers families a place to rest and regroup while remaining close to their child by providing a welcoming, homelike environment.

Ronald McDonald Care Mobile®

The Ronald McDonald Care Mobile is a state-of-the-art pediatric clinic on wheels. Designed from the ground up to meet the specific well-care and treatment needs of children, it is staffed by pediatric doctors and nurses from Nationwide Children's Hospital, one of "America's Best Children's Hospitals" as ranked in U.S. News & World Report. Providing services at little or no cost to the patient, the Care Mobile virtually eliminates financial and geographic barriers to healthcare access. All insurances including Medicaid are accepted. It also reduces the strain placed on local emergency rooms by families using them for non-emergency care. Working in partnership with your community's healthcare leaders, the Care Mobile bridges gaps between underserved children and local communities. It travels to locations that your community identifies as lacking in pediatric resources or underutilizing existing ones.
