KEEPING FAMILIES CLOSE
KEEPING FAMILIES CLOSE
KEEPING FAMILIES CLOSE

IN 2022 WE KEPT FAMILIES CLOSE

2022 marked forty years of service at the Ronald McDonald House in Columbus, Ohio. Since opening our doors in 1982, the mission of the House has remained the same – to provide a home-away-from-home for families of hospitalized children. But more than just a place to stay, the Ronald McDonald House is a source of hope and stability during the challenge of a childhood illness.

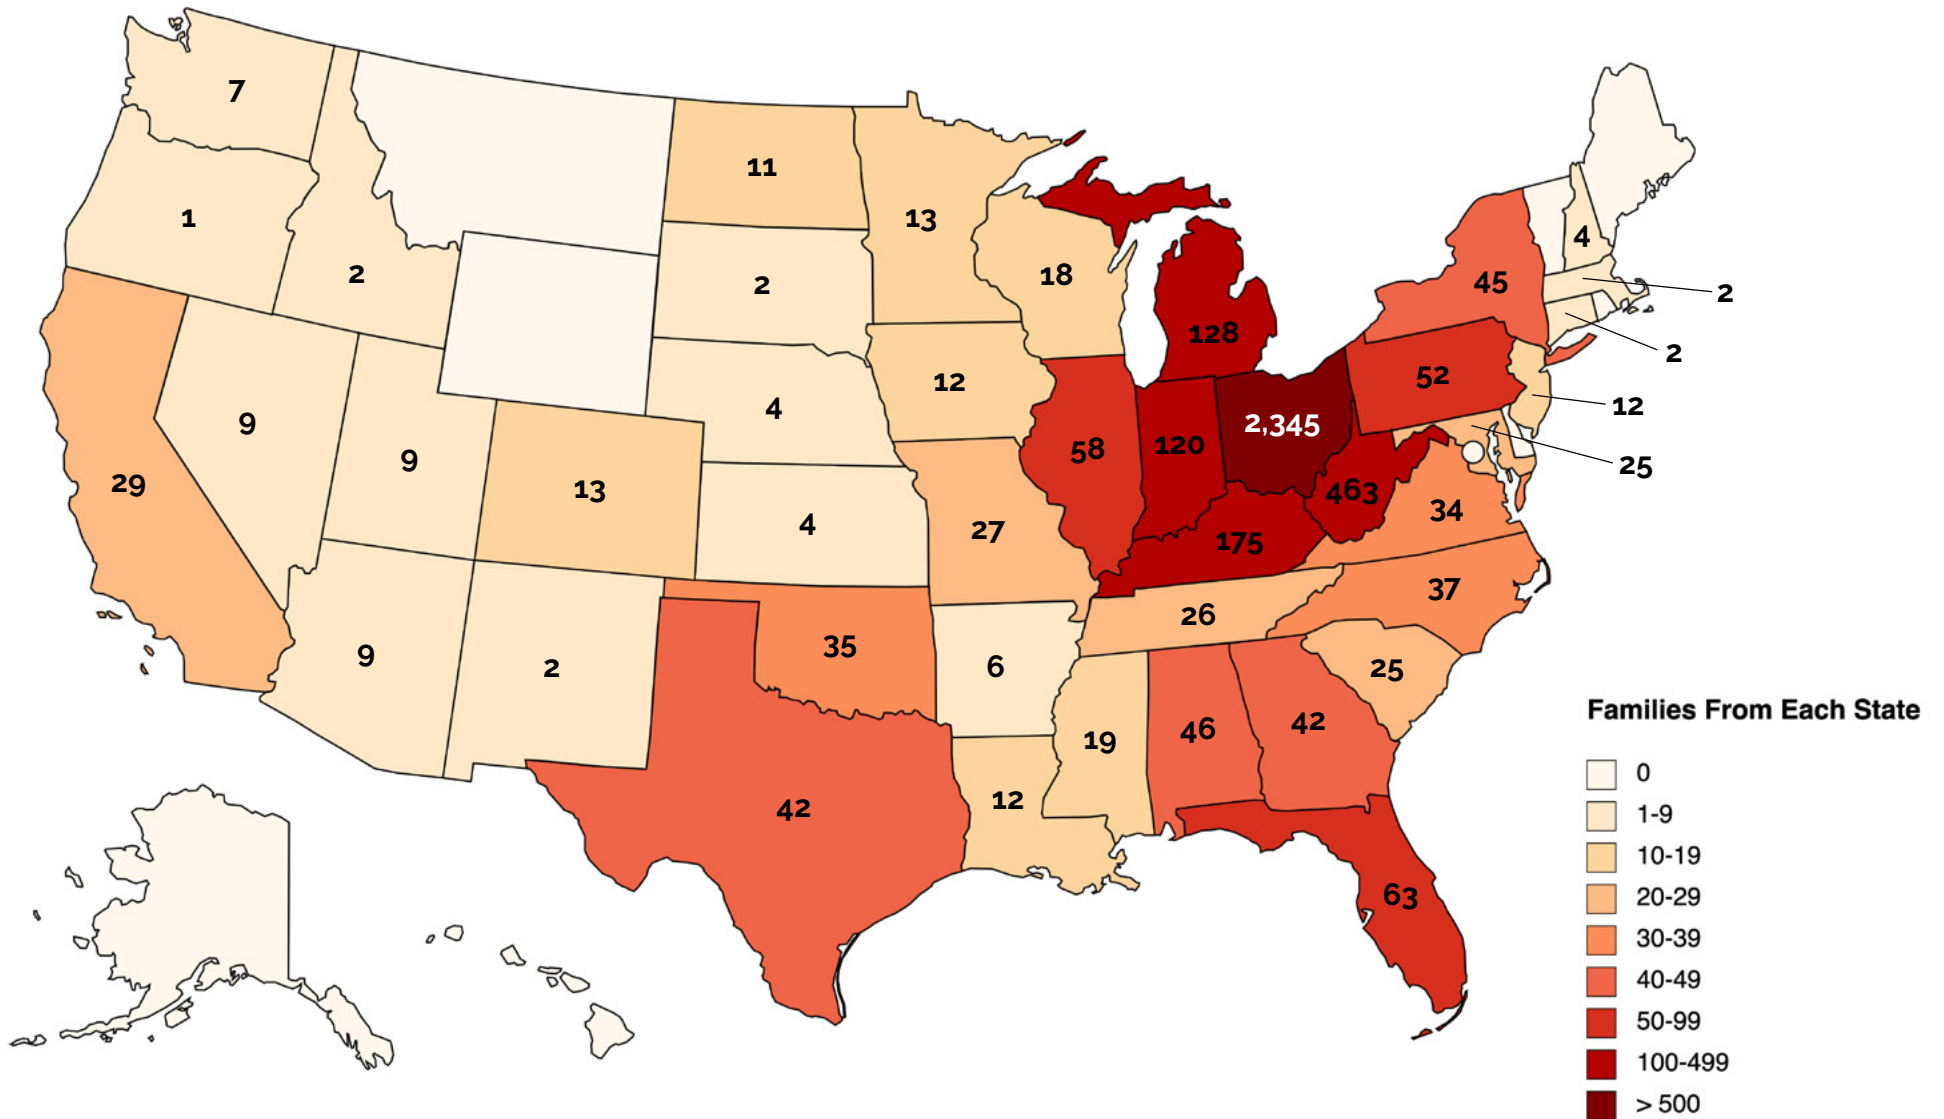

What we are able to provide to families each and every day is both simple and profound. Located directly across the street from Nationwide Children's Hospital, one of the finest and largest children's hospitals in the world, our House is a refuge for families. Imagine how stressful having a child in the hospital can be. Our service and community at the Ronald McDonald House helps to eliminate stress for moms, dads, siblings and other loved ones. It is truly a lifeline.

When a child is sick, the whole family is sick. We are able to wrap our collective arms around the whole family, keeping families close. So parents can wake up in the morning, get a hot shower, walk down to the kitchen to grab a bite to eat, and then walk across the street to be with their child at the hospital. We take away the normal stressors of everyday life so that mom and dad can focus on the health and wellbeing of their child.

We are proud to facilitate family-centered care, working alongside the healthcare professionals to care for the whole patient-family.

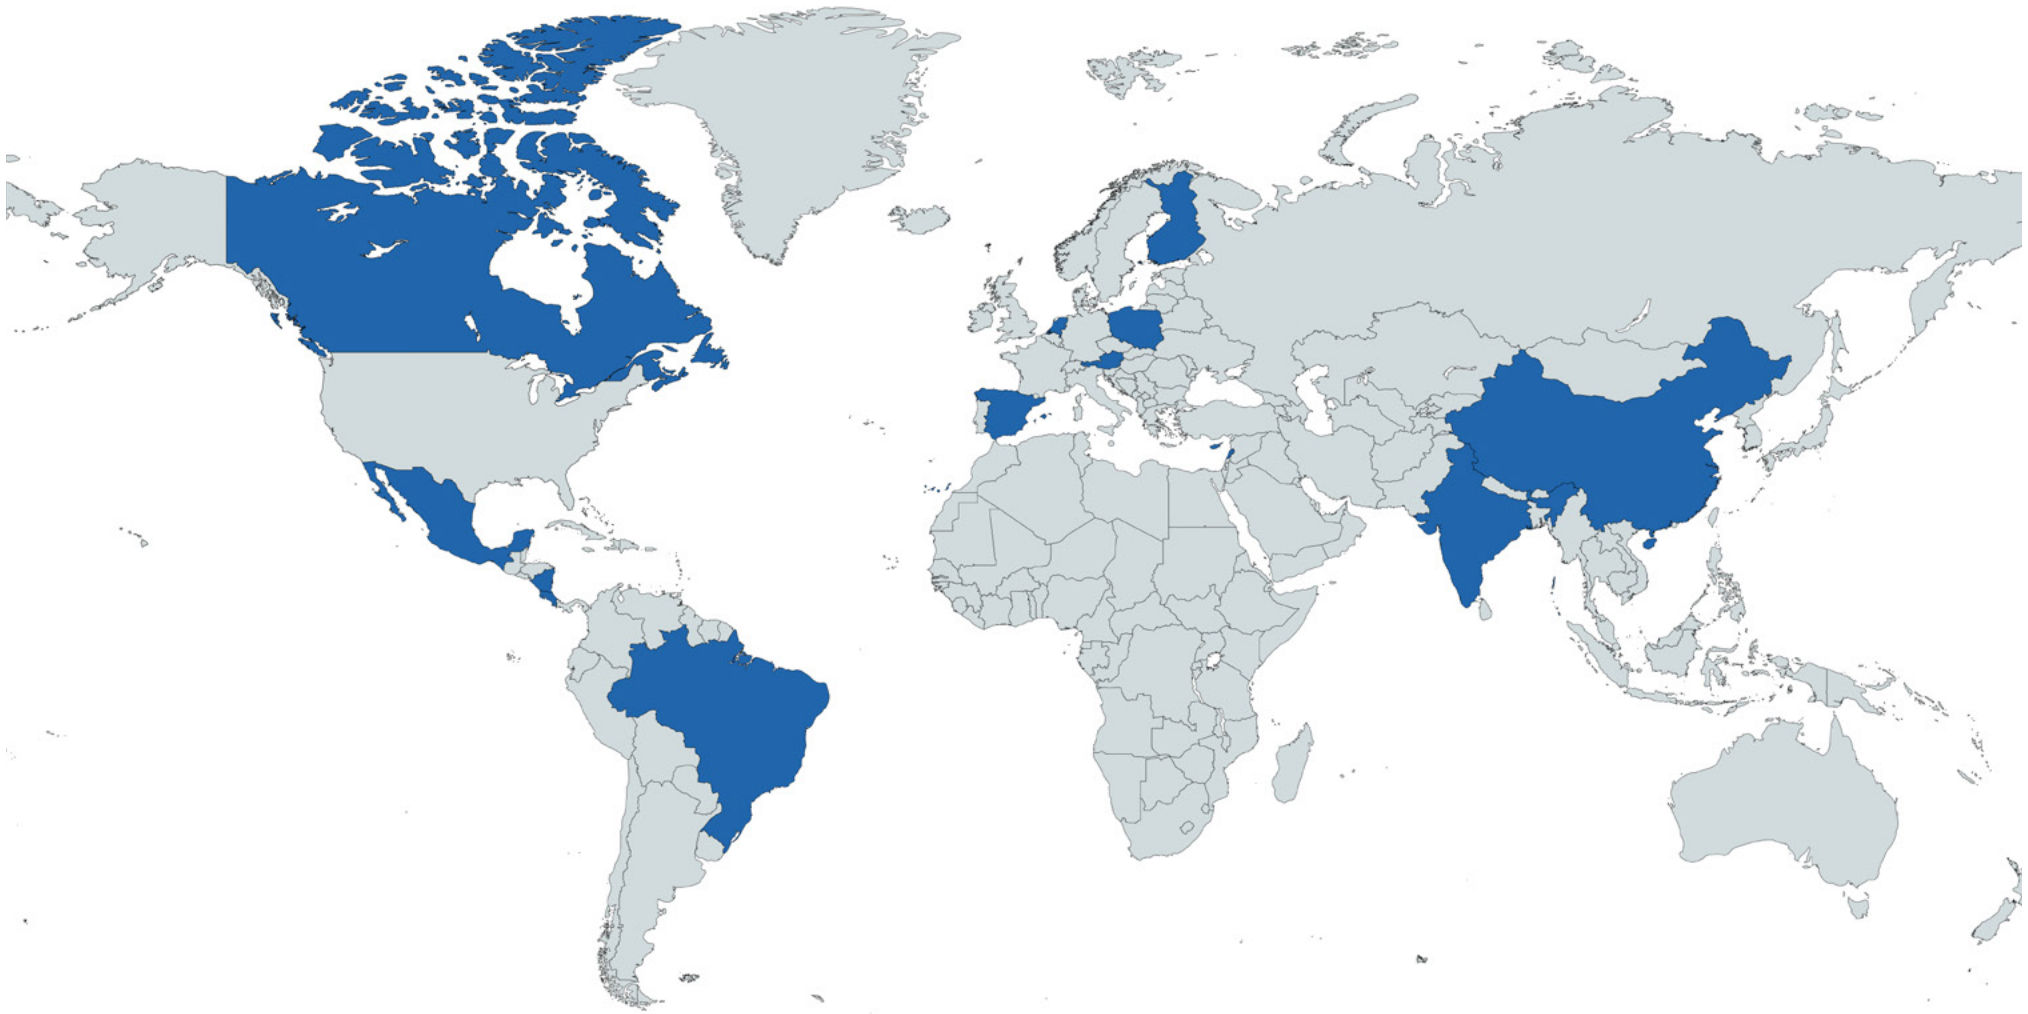

UNITED STATES FAMILIES WHO STAYED WITH US

In 2022, RMHC of Central Ohio
served 3,990 families from
42 different states.

INTERNATIONAL FAMILIES WHO STAYED WITH US

In 2022, RMHC of Central Ohio served 22 different families from 14 international countries.

Families from the following countries were serviced in 2022: Austria, Brazil, Canada, China, Costa Rica, Cyprus, Finland, India, Israel, Mexico, Netherlands, Nicaragua, Poland, Spain

PROGRAMS

Ronald McDonald House®

Children who are hospitalized need the security of having their parents near them. Staying at the hospital around the clock can be a tremendous challenge. That is why the Ronald McDonald House gives families a home-away-from-home right across the street from Nationwide Children's Hospital. The reality of having a hospitalized child can be one of the most stressful experiences a family can endure. Add to that the challenge of being far from home, in a foreign environment, and stress can mount even more. What we are able to provide at the Columbus Ronald McDonald House is a bit of stability in the midst of challenging circumstances. Families can stay together only steps away from their hospitalized child who needs them near. Moms and dads, brothers and sisters, and extended family can call the House their home-away-from-home for as long as their child is receiving treatment at the hospital.

Ronald McDonald Family Room® at Riverside Methodist Hospital

Ronald McDonald House Charities of Central Ohio has partnered with OhioHealth to operate Central Ohio's first Ronald McDonald Family Room. This space serves as a respite for families with babies & children receiving medical care at OhioHealth Riverside Methodist Hospital. We provide a relaxed space for families to grab a snack or a drink, take a shower, do a load of laundry, or take a quick break just steps from their inpatient child, if only for a few moments.

Ronald McDonald Family Room® at Big Lots Behavioral Health Pavilion

When families walk into the Ronald McDonald Family Room at Big Lots Behavioral Health Pavilion at Nationwide Children's Hospital, we want them to forget they're in a hospital. Centrally located in the Pavilion, the Ronald McDonald Family Room offers families a place to rest and regroup while remaining close to their child by providing a welcoming, homelike environment.

Ronald McDonald Care Mobile®

The Ronald McDonald Care Mobile is a state-of-the-art pediatric clinic on wheels. Designed from the ground up to meet the specific well-care and treatment needs of children, it is staffed by pediatric doctors and nurses from Nationwide Children's Hospital, one of "America's Best Children's Hospitals" as ranked in U.S. News & World Report. Providing services at little or no cost to the patient, the Care Mobile virtually eliminates financial and geographic barriers to healthcare access. All insurances including Medicaid are accepted. It also reduces the strain placed on local emergency rooms by families using them for non-emergency care. Working in partnership with your community's healthcare leaders, the Care Mobile bridges gaps between underserved children and local communities. It travels to locations that your community identifies as lacking in pediatric resources or under utilizing existing ones.

AN OVERFLOW OF GENEROSITY

GENEROUSLY KEEPING FAMILIES CLOSE®

Ronald McDonald House Charities of Central Ohio relies on the generosity of individuals and organizations in the community so serve families. By supporting our core programs of the Ronald McDonald House, Ronald McDonald Care Mobile, and Ronald McDonald Family Rooms, the community of Central Ohio is generously caring for families in their time of need.

Did you know that it costs our organization one hundred dollars per guest room, per night to operate the Ronald McDonald House? So, every time a donation of one hundred dollars is made to RMHC of Central Ohio, a family is provided the gift of togetherness during their child's hospitalization.

We sincerely appreciate the extremely generous financial support that our organization received in 2022. Together, we are keeping families close.
