

Craft Kits!

Craft kits provide much needed distraction and comfort to families staying at the Ronald McDonald House.

We are seeking craft kits for both children and adults. You can provide/purchase pre-made craft kits or create your own.

Please place each kit into individual packaging so that it is easy to distribute among the families. We will gladly accept any amount you are willing to make.

You can drop them off any day of the week between the hours of **9am-9pm** at the Ronald McDonald House located at **711 E. Livingston Ave. Columbus, OH 43205**

For more information, please reach out to Program Manager Megan Renner at Megan.Renner@rmhc-centralohio.org
