

SIBLING SUPPORT PACKS

Help bring comfort, joy, and a sense of care to siblings of seriously ill children staying at the Ronald McDonald House Charities of Central Ohio. Each kit is thoughtfully packed in a reusable bag—like a drawstring backpack—and filled with small items to help siblings feel seen, supported, and included during a challenging time.

Suggested items to include:

- Stuffed animal
- Coloring or puzzle book
- Encouraging note or letter
- Card games
- Fidget toy
- Play-Doh
- A children's book
- Kids' toiletries (toothbrush, toothpaste, soap)

Kits don't need to include everything on this list! Feel free to personalize with other fun or comforting items.
